SPECIALTIES

FACILITIES SUPPORT | Expand operations through comprehensive facilities support management.

Provide facilities, operations, and maintenance services safely, reliably, and promptly, minimizing disruptions to occupants.

EQUIPMENT REPAIR & MAINTENANCE | Enhance safety, reduce costs, and improve asset management.

Support field maintenance, technical assistance, technical inspections, and maintenance services and repairs (scheduled and unscheduled) in accordance with technical manuals and standards.

SUPPLY SUPPORT SERVICES | Real-time inventory management and control to meet mission requirements.

Provide requisition, receipt, storage, issue, distribution, redistribution, and retrograde of supplies while maintaining accountability and timely distribution to the warfighter.

ENVIRONMENTAL SERVICES | Navigate regulatory compliance to deliver sustainable solutions.

Comprehensive environmental services ensuring regulatory compliance and preserving natural resources throughout their lifecycle.

MANAGEMENT CONSULTING | Streamline risk management, budgeting, and personnel services.

Consulting services to streamline the full-range of administrative services including staffing, strategic and organizational planning, marketing, process improvement, and training.
